Re: Foreign Supplier Verification Program Statement

Ardent Mills is in full compliance with the Foreign Supplier Verification Program (FSVP) regulation, CFR 21 Parts 1, 11, and 111. All FSVP activities within the Ardent Mills plan are conducted by a “Qualified Individual” with the appropriate level of training and experience.

Furthermore, Ardent Mills has enlisted a third party to verify our program’s efficacy and compliance.

Sincerely,

Juliany Rivera Calo
