# Ardent Mills Nature's Color™ Barley

## PURE-PURPLE™ BARLEY

## BLACKJACK™ BARLEY

## TRUE BLUE™ BARLEY

Barley is a versatile whole grain with a chewy texture and nutty flavor, and fits into the ancient grain trend which continues to grow in popularity. Nature's Color™ Barley has whole grain nutrition along with intriguing deep, rich color options. These colored grains add delicious appeal to grain dishes normally looking beige. Our Pure-Purple™ Barley and Blackjack™ Barley are water soluble giving a lively purple or a slate black color to your barley applications.
