Chapati Bread

A simple, quick unleavened flatbread made with Mumbai Gold and water

Hands On: 20 minutes Total: 50 minutes Makes: 5 servings (2 chapati breads each)

Ingredients

- 2 cups Mumbai Gold™ Fresh Chakki Atta
- 1/2 teaspoon salt
- 3/4 cup warm water (85° to 90°F)
- Ghee, melted, optional

Directions

1. Combine flour and salt in large bowl. Slowly add warm water while mixing with fingers to incorporate. Remove dough from bowl; knead on lightly floured work surface 5 minutes or until dough is smooth and elastic.
2. Return dough to bowl; cover with damp towel and let stand 30 minutes.
3. Preheat nonstick electric griddle to 400°F or large nonstick skillet over high heat until hot. Divide dough equally into 10 pieces; roll each piece by hand into a small ball. Lightly coat each ball with additional flour. Roll each ball of dough with rolling pin to 1/16-inch thickness (about a 6-inch circle), using additional flour to prevent sticking, if necessary.
4. Place rolled dough on hot griddle; bake 1 to 2 minutes per side or until puffed and lightly browned in spots. Remove from heat; brush lightly with ghee, if desired. Repeat with remaining dough. Serve immediately.
