- (4) Seller warrants that the commodities or other goods which are the subject matter of this contract ("Commodities" or singular, "Commodity") are and will remain free and clear of any penalty, lien, charge, quota regulation or encumbrance, governmental or otherwise, of any nature whatsoever at the time of its sale to Buyer.
- (5) It is understood that title to the Commodities and the risk of loss of the Commodities pass to Buyer upon acceptance at the Buyer's facility.
- (6) Seller represents and warrants to Buyer that Seller is a merchant as that term is defined by the Uniform Commercial Code.
- (7) Seller warrants that the Commodities are merchantable and fit for sale to domestic and foreign customers, and that all Commodities were grown in the continental United States.

- (9) Seller represents and warrants that no water was applied in the handling of the Commodities in this shipment through Seller's loading facility for any purpose except when used as a carrier for residual pesticides at manufacturer recommended levels.
- (10) Seller represents and warrants that Buyer may rely upon the representations and warranties set forth herein in the resale of the Commodities.
- (11) Seller guarantees that all Commodities meet the minimum standards prescribed by the United States Food and Drug Administration, including a maximum aflatoxin level of 20 parts per billion, and that all Commodities have been free at all times of crotalaria, or any other contamination or adulteration. - (12) Buyer reserves the right to reject or apply discounts to the contract price, if the quality of the Commodities is less than required under this contract, or to unload the same without first notifying Seller.
- (13) Any Commodity, irrespective of grade, which is tagged, seized, condemned or declared unfit by any state or federal agency may not be applicable on the contract, and ownership of such Commodity will remain with the Seller. Furthermore, any change in the price or other terms of this contract caused by government regulations, will entitle Buyer to cancel any unshipped portion thereof without penalty.
- (14) Buyer shall not be liable for delay in Buyer's performance or failure to perform when such delay or failure is due to unforeseen causes beyond its control and without its fault or negligence, including but not limited to acts of God, acts of the public enemy, governmental action, fires, floods, earthquakes, epidemics, quarantine restrictions, labor difficulties, freight embargoes, plant breakdowns, transportation shortages or unusually severe weather. Buyer shall not be required to pay for or to accept Seller's application of or title to any Commodity when the transportation of such Commodity, upon the terms set forth in this contract, may reasonably be anticipated to be delayed as a result of one or more of the events described in the preceding sentence.
- (15) Buyer's acceptance of any Commodity delivered after Seller's breach of this contract will not waive any rights or remedies accruing to Buyer from such breach.
- (16) Upon breach of this contract by Seller or upon termination of this contract by Buyer, Buyer, at its option may: (1) repurchase the product on the open market for Seller's account, and Seller will pay Buyer any loss and incidental expenses resulting therefrom, or (2) require Seller to pay the difference between the contract price and the market price on the date of cancellation, or (3) without further obligation, cancel the contract in its entirety. Notwithstanding the foregoing, Buyer may pursue any remedy allowed by law, and (i) Buyer will be entitled to collect from Seller reasonable attorneys' fees and costs incurred by Buyer in connection with enforcement of this contract by reason of Seller's breach and (ii) Buyer will be entitled to collect from Seller interest on any amount owing to Buyer by reason of Seller's breach, at the rate of 11/2% per month until paid.
- (17) Seller represents that it is not insolvent, as that term is defined in the Uniform Commercial Code. If Seller's financial condition is deemed unsatisfactory to Buyer during the term of this contract, Buyer may terminate this contract and all other purchase contracts from Seller whether or not Seller is in default.
- (18) Seller agrees to indemnify and hold harmless Buyer, its affiliates and their directors, officers, employees, agents, and representatives from and against any and all liability, loss, damage, fine, penalty, cost or expense (including reasonable attorneys' fees) to the extent arising out of or resulting from: (a) any non-conforming good; (b) any alleged or actual, direct or contributory infringement or misappropriation of any patent, copyright, trade secret or other proprietary right arising from the purchase, use or sale of the goods provided by Seller; (c) any leak or spill of any materials, substances or chemicals while being transported or delivered to Buyer or while on Buyer's premises; (d) any breach by Seller of any term or condition contained in the Contract; and/or (e) the negligent acts or omissions, or willful misconduct of Seller, its agents or representatives. Without limiting the foregoing, Buyer may require Seller to re-deliver against any non-conforming goods at Seller's cost and expense.
- (19) The waiver of any of the terms of this contract to be performed by Seller will not be a waiver of any subsequent failure of Seller to comply fully with or perform the same or any other term of this contract.
- (20) Without limiting Buyer's other rights and remedies, Buyer has the right, as permitted under applicable laws, to set off and/or net its obligations under this Contract against any debts, claims or obligations owed to Seller hereunder or any other agreements between the parties.
- (21) If more than one contract is open, shipments are to be applied on contracts in order of each contract's delivery date beginning with the oldest Purchase Contract.
- (22) It is understood that this contract is not completed until all shipments are received, graded, weighed and unloaded at destination.
- (23) Buyer may designate any reasonable alternate delivery points if necessary to expedite Seller's performance of this contract, but Buyer shall have no obligation to do so.
- (24) Buyer reserves the right to refuse to accept any order not fulfilled in accordance with its purchase requirements. If Seller requests and Buyer agrees to amend a Contract, Buyer may, at its option, charge to Seller any and all additional costs, expenses or charges related to the amendment and all additional costs, expenses or charges related to the amendment.
- (25) Buyer shall have the right, upon reasonable grounds for insecurity with respect to Seller's performance under this Contract, to demand adequate assurance of Seller's full performance. Seller shall provide such adequate assurance within forty-eight (48) hours of the receipt of the demand therefor. Seller's failure to provide adequate assurance as demanded by Buyer shall constitute Seller's repudiation of this Contract, and Buyer shall have the right to all legal and equitable remedies available, including but not limited to those stated in this contract, and losses and damages.

- (26) If there are unpriced Commodities subject to this contract, and Buyer advances funds to Seller prior to final pricing, then the parties agree as follows: Buyer at its discretion shall have the right, in the event the market declines, to require the Seller to refund to Buyer a portion of the amount Buyer had so advanced to Seller. This amount to be refunded will be equal to the decline in the market (that is, the difference between the then current market price and the market price of the grain on the date Buyer so advanced funds to Seller), in order to maintain the margin to the market as agreed upon in this contract. Buyer shall notify Seller of the amount so requested for refund, and upon receipt of same, Buyer shall retain such amount in a separate escrow account for the benefit of Seller. Buyer may at its discretion and without prejudice to other legal remedies treat Seller's failure to refund the full amount so requested within 48 hours after such demand as a breach of this contract or as a breach of all open contracts and pursue Buyer's legal and equitable remedies.
- (27) Buyer and Seller recognize that the market price when delivery is required under this contract may differ substantially from the contract price, and each party agrees not to assert such a difference as an excuse for non-performance hereunder or as a defense for damages for failure to perform in whole or in part.
- (28) Seller and Buyer agree that all disputes and controversies of any nature whatsoever between them with respect to this contract, or any other commodity contract between the parties, must be arbitrated according to the Arbitration Rules of the NGFA, and that the decision and award determined there under will be final and binding on Seller and Buyer.
- (29) If this contract calls for delivery beyond 14 days from the date of the contract, Buyer may at any time demand from Seller a marginal deposit of 10% of the purchase price to be returned to Seller when the product is delivered, and Buyer may demand such further deposit payments from Seller as may be necessary to maintain a deposit on the contract of 10% of the contract price plus an amount equal to the difference between the contract price and the prevailing market price, if the market price is above the contract price. Seller agrees to make such deposits so demanded within three days of such demand.
- (30) Except: (i) as otherwise stated in this Contract or the trading rules referenced in this Contract; or (ii) for obvious error, Buyer's weights, analysis and condition, at receipt, will govern and control.
- (31) It is agreed that this contract will be binding upon the heirs, administrators and executors of the respective parties. This contract cannot be assigned by Seller without the written consent of Buyer. This contract can be assigned by Buyer without the consent of Seller.
- (32) If any provision of this Contract is held to be invalid, illegal or unenforceable, either in whole or in part, that holding will not affect the validity, legality or enforceability of the remaining provisions of this Contract.
- (33) EOE/Union Notice: BUYER IS AN EQUAL OPPORTUNITY EMPLOYER and is a government contractor. Therefore, to the extent they are applicable to this Agreement, the Department of Labor and EEOC rules, regulations, guidelines, and orders including, but not limited to, Executive Order 11246, (EEO Clause) contained in 41 C.F.R. Seller will not use any of this information other than in connection with the performance of this Contract and will not disclose any of this information except to the extent required by law and then only after prior notice to Buyer.

Diversion contrary to U.S. law is prohibited. The goods, services, and/or intellectual property may not be resold to, disposed of, or transported on or by a carrier owned, flagged, leased, or chartered by, any country (including Cuba), person or entity which would cause BUYER to be in violation of or be penalized by United States or other applicable economic sanctions laws. Additional information is available from BUYER upon request.
- (36) Seller (and any of its affiliates, agents, or subcontractors acting on behalf of Seller hereunder) shall conduct business responsibly, with integrity and transparency, and adhere to the code of conduct set forth in Ardent Mills' Code of Conduct and Supplier Code of Conduct, and Seller acknowledges and agrees that it shall abide by the terms of Ardent Mills' Prohibition Against Improper Business Conduct, available at <https://www.ardentmills.com/media/4k3cphxt/am-supplier-code-of-conduct.pdf> and <https://www.ardentmills.com/media/1bihaynk/ardent-mills-code-of-conduct-english.pdf>.

IN NO EVENT SHALL SELLER’S AGGREGATE LIABILITY TO BUYER ARISING UNDER OR IN ANY WAY RELATED TO THIS AGREEMENT EXCEED THE PURCHASE PRICE OF THE GOODS. THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF THE FORM OF ANY CLAIM BY BUYER HEREUNDER, WHETHER FOR BREACH OF ANY WARRANTY, FOR BREACH OR REPUDIATION OF ANY OTHER TERM OR CONDITION OF THIS AGREEMENT OR ANY REALTED ENGAGEMENT LETTER OR OTHER WRITING, FOR NEGLIGENCE, ON THE BASIS OF STRICT LIABILITY, OR OTHERWISE.** Buyer will indemnify Seller and hold Seller harmless for any loss, cost, damage or expense that Seller may incur that (in aggregate) exceeds the purchase price, including without limitation, reasonable attorneys’ fees, as a result of Buyer’s use, storage, transportation, or sale of the Goods whether alone or in combination with other goods.
- (11) Buyer shall pay all taxes, duties, fees, or other charges of every nature, now or hereafter imposed by federal, state, or local governments upon the Goods or upon the shipment, storage, sale, use or inspection thereof, it being understood that the sales price is exclusive of all said taxes, fees and charges. Buyer shall furnish Seller with satisfactory exemption certificates where any exemption from taxes is claimed.
- (12) Any advance in applicable freight rates, fuel, energy and transportation surcharges, taxes, duties or other assessments or fees on this Contract or the production, processing, sale, delivery, storage, shipment, transportation or use of the goods, services and/or the raw materials sold hereunder, taking effect after the date of this Contract but before the fulfillment of this Contract may, at Seller’s option, be added to the Price(s) set forth in this Contract. Seller will also have the right, at Seller’s option, to add to the Price(s) any increase in the cost of production because of any legislation passed or regulations issued after the date of this Contract.
- (13) Once a Contract has been issued, if Seller has communicated its order requirements (e.g., the minimum time period between order and desired shipment) to Buyer, Buyer must follow those order requirements to place orders against this Contract. Seller reserves the right to refuse to accept any order not placed in accordance with its order requirements. If Buyer requests

- and Seller agrees to amend a Contract, Seller may, at its option, charge to Buyer any and all additional costs, expenses or charges related to the amendment.
- (14) Seller shall not be liable for delay in Seller's performance or failure to perform when such delay or failure is due to unforeseen causes beyond its control and without its fault or negligence, including but not limited to acts of God, acts of the public enemy, governmental action, fires, floods, earthquakes, epidemics, quarantine restrictions, labor difficulties, freight embargoes, plant breakdowns, transportation shortages or unusually severe weather. Should any of the foregoing occur, at Seller's option and upon notice to Buyer, Seller shall be (1) relieved of further performance under this contract, or (2) Seller's performance may be extended for a time equivalent to the delay.
- (15) Buyer's acceptance of any Goods delivered after Seller's breach of this contract waives any and all rights or remedies accruing to Buyer from such breach.
- (16) Upon breach of this contract by Buyer, including without limitation, for Buyer's failure or inability to take delivery of any or all of the Goods or upon termination of this contract by Seller, Seller, at its option may: (1) sell the product on the open market for Buyer's account, and Buyer will pay Seller any loss and incidental expenses resulting therefrom, (2) require Buyer to pay the difference between the contract price and the market price on the date of cancellation, (3) without further obligation, cancel the contract in its entirety, (4) extend the delivery period for contracted volumes; (5) assess Buyer carrying charges and/or penalties as deemed appropriate or necessary by Seller; or (5) exercise any other right or remedy provided by law. Buyer shall pay interest on any amount owing to Seller by reason of Buyer's breach, until paid, at the rate of 11/2% per month (or, if less, the highest rate permitted by applicable law).
- (17) Failure of Seller to ship any installment hereunder when due shall not constitute a total breach of the contract. In the event this contract calls for multiple shipments or deliveries, Seller's failure to timely make any shipment or delivery will not constitute a breach of (i) Seller's obligations to many any other shipment or delivery; or (ii) this contract as a whole.
- (18) Buyer represents that it is not insolvent, as that term is defined in the Uniform Commercial Code. If Buyer's financial condition is deemed unsatisfactory to Seller, Seller may (1) terminate this contract and all other contracts with Buyer whether or not Buyer is in default, and no rights shall accrue to Buyer as a result of termination pursuant to this section, or (2) demand adequate assurance of due performance, including requiring that Buyer deposit a suitable security to insure Buyer's performance of this contract and others which Buyer is a party, or (3) make deliveries to Buyer on sight draft or C.O.D. basis, or (4) require cash in advance of delivery.
- (19) The waiver of any of the terms of this contract to be performed by Buyer will not be a waiver of any subsequent failure of Buyer to comply fully with or perform the same or any other term of this contract.
- (20) Official loading weights and grades govern unless otherwise specified.
- (21) Buyer and Seller recognize that the market price when delivery is required under this contract may differ substantially from the contract price, and each party agrees not to assert such a difference as an excuse for non-performance hereunder or as a defense in any action for damages for failure to perform in whole or in part.
- (22) All disputes and controversies of any nature whatsoever between Seller and Buyer with respect to this contract, or any other commodity contract between the parties, must be arbitrated according to the arbitration rules of the NGFA. The decision and award determined under any arbitration will be final and binding on Seller and Buyer. Judgment upon any arbitration award may be entered and enforced in any court having jurisdiction.
- (23) If Buyer is located in South Dakota, the parties shall submit any dispute arising under this contract to non-binding mediation if required by S.D. CODIFIED LAWS § 37-4A-2 prior to the initiation of NGFA arbitration in accordance with paragraph 19. If S.D. CODIFIED LAWS § 37-4A-2 ceases to be controlling at any time that this contract is in effect, this provision should be treated as though it never existed and the parties shall proceed directly to NGFA arbitration.
- (24) Buyer may not assign this contract without the written consent of Seller. Seller may assign its rights and obligations under this contract without the consent of Buyer.
- (25) If any provision of this contract is held to be unenforceable under applicable law, such provision will be excluded from this contract and the balance of the contract will be interpreted as if such provision were so excluded and will be enforceable in accordance with its terms.
- (26) If Buyer redirects Goods during transit, those Goods are irrevocably deemed satisfactory from the point of redirection, and Buyer waives the right to examine those Goods after redirection.
- (27) Buyer shall obtain and furnish all permits (including elevator and port permits) necessary for the shipment and sale contemplated hereby.
- (28) Without the express written consent of Seller, Buyer may not use Seller's trade names, trademarks, logos, service marks, or other proprietary marks for any purpose (including, without limitation, use on any of Buyer's packaging and labeling, regardless of whether the packaging or labeling is for reselling the good either alone or in combination with other goods).
- (29) Buyer agrees to keep confidential the terms and conditions of this Contract and all proprietary information disclosed by or on behalf of Seller or otherwise learned or obtained by Buyer in connection with this Contract or the performance hereof.

THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF THE FORM OF ANY CLAIM BY BUYER HEREUNDER, WHETHER FOR BREACH OF ANY WARRANTY, FOR BREACH OR REPUDIATION OF ANY OTHER TERM OR CONDITION OF THIS AGREEMENT OR ANY REALTED ENGAGEMENT LETTER OR OTHER WRITING, FOR NEGLIGENCE, ON THE BASIS OF STRICT LIABILITY, OR OTHERWISE.** Buyer will indemnify Seller and hold Seller harmless for any loss, cost, damage or expense that Seller may incur that (in aggregate) exceeds the purchase price, including without limitation, reasonable attorneys’ fees, as a result of Buyer’s use, storage, transportation, or sale of the Goods whether alone or in combination with other goods.
- (11) Buyer shall be liable for any taxes or other exactions levied by Canadian, Federal, Provincial or local authorities upon the sale, delivery, storage, consumption or transportation of the goods or services, and if any such items are paid or required to be paid by the Seller, the amount shall be added to and become part of the price payable to the Seller for such goods or services. Buyer shall pay all taxes, duties, fees, or other charges of every nature, now or hereafter imposed by federal, state, or local governments upon the Goods or upon the shipment, storage, sale, use or inspection thereof, it being understood that the sales price is exclusive of all said taxes, fees and charges. Buyer shall furnish Seller with satisfactory exemption certificates where any exemption from taxes is claimed.
- (12) Any advance or increase in applicable freight rates, fuel, energy and transportation surcharges, taxes, duties or other assessments or fees on this Contract or the production, processing, sale, delivery, storage, shipment, transportation or use of the goods, services and/or the raw materials sold hereunder, taking effect after the date of this Contract but before the fulfillment of this Contract may, at Seller’s option, be added to the Price(s) set forth in this Contract. Seller will also have the right, at Seller’s option, to add to the Price(s) any increase in the cost of production because of any legislation passed or regulations issued after the date of this Contract.
- (13) Once a Contract has been issued, if Seller has communicated its order requirements (e.g., the minimum time period between order and desired shipment) to Buyer, Buyer must follow those order requirements to place orders against this Contract. Seller reserves the right to refuse to accept any order not placed in accordance with its order requirements. If Buyer requests and Seller agrees to amend a Contract, Seller may, at its option, charge to Buyer any and all additional costs, expenses or charges related to the amendment.

- (14) Seller shall not be liable for delay in Seller's performance or failure to perform when such delay or failure is due to unforeseen causes beyond its control and without its fault or negligence, including but not limited to acts of God, acts of the public enemy, governmental action, fires, floods, earthquakes, epidemics, quarantine restrictions, labor difficulties, freight embargoes, plant breakdowns, transportation shortages or unusually severe weather. Should any of the foregoing occur, at Seller's option and upon notice to Buyer, Seller shall be (1) relieved of further performance under this contract, or (2) Seller's performance may be extended for a time equivalent to the delay.

Buyer shall pay interest on any amount owing to Seller by reason of Buyer's breach, until paid, at the rate of 11/2% per month (or, if less, the highest rate permitted by applicable law). In addition, as to Goods that are grains, the Buyer shall pay a penalty to Seller based on a daily amount of \$0.05 per metric tonne for the portion of the Goods not accepted (the "Delivery Penalty") until the date such Goods are accepted by it (the "Delivery Period"). The Delivery Penalty shall not apply until the Delivery Period has expired and shall apply for each day that Buyer extends the Delivery Period.
- (17) Failure of the Buyer to pay on the due date for goods shipped shall give the Seller the right, but not the obligation, to suspend further shipment, without notice to the Buyer, until all previous shipments are paid, or to terminate this agreement and seek all available remedies from Buyer. Notwithstanding anything else herein contained, the Seller reserves the right to modify payment terms or to allow no credit whatsoever to Buyer if, subsequent to the date of an order, the Seller determines that it cannot grant Buyer the credit terms which are specified herein. Buyer understands that this reservation is necessary to allow the Seller's credit department to have adequate time to review Buyer's credit status. Without limiting Seller's pursuit of any and all other rights and remedies available to it, it is expressly agreed that this Contract is subject to Seller's right to set off any mutual debts and claims against Buyer under or in connection with this Contract, or pursuant to any other contracts between the parties.
- (18) Failure of Seller to ship any installment hereunder when due shall not constitute a total breach of the contract. In the event this contract calls for multiple shipments or deliveries, Seller's failure to timely make any shipment or delivery will not constitute a breach of (i) Seller's obligations to many any other shipment or delivery; or (ii) this contract as a whole.
- (19) Buyer represents that it is not insolvent, as that term is defined in the Uniform Commercial Code. If Buyer's financial condition is deemed unsatisfactory to Seller, Seller may (1) terminate this contract and all other contracts with Buyer whether or not Buyer is in default, and no rights shall accrue to Buyer as a result of termination pursuant to this section, or (2) demand adequate assurance of due performance, including requiring that Buyer deposit a suitable security to insure Buyer's performance of this contract and others which Buyer is a party, or (3) make deliveries to Buyer on sight draft or C.O.D. basis, or (4) require cash in advance of delivery.
- (20) The waiver of any of the terms of this contract to be performed by Buyer will not be a waiver of any subsequent failure of Buyer to comply fully with or perform the same or any other term of this contract.
- (21) Official loading weights and grades govern unless otherwise specified.
- (22) Buyer and Seller recognize that the market price when delivery is required under this contract may differ substantially from the contract price, and each party agrees not to assert such a difference as an excuse for non-performance hereunder or as a defense in any action for damages for failure to perform in whole or in part.
- (23) All disputes and controversies of any nature whatsoever between Seller and Buyer with respect to this contract, or any other commodity contract between the parties, must be arbitrated according to the arbitration rules of the NGFA.
- The decision and award determined under any arbitration will be final and binding on Seller and Buyer. Judgment upon any arbitration award may be entered and enforced in any court having jurisdiction.
- (24) Buyer may not assign this contract without the written consent of Seller. Seller may assign its rights and obligations under this contract without the consent of Buyer.
- (25) If any provision of this contract is held to be unenforceable under applicable law, such provision will be excluded from this contract and the balance of the contract will be interpreted as if such provision were so excluded and will be enforceable in accordance with its terms.
- (26) If Buyer redirects Goods during transit, those Goods are irrevocably deemed satisfactory from the point of redirection, and Buyer waives the right to examine those Goods after redirection.
- (27) Buyer shall obtain and furnish all permits (including elevator and port permits) necessary for the shipment and sale contemplated hereby.
- (28) Without the express written consent of Seller, Buyer may not use Seller's trade names, trademarks, logos, service marks, or other proprietary marks for any purpose (including, without limitation, use on any of Buyer's packaging and labeling, regardless of whether the packaging or labeling is for reselling the good either alone or in combination with other goods).
- (29) Buyer agrees to keep confidential the terms and conditions of this Contract and all proprietary information disclosed by or on behalf of Seller or otherwise learned or obtained by Buyer in connection with this Contract or the performance hereof.
