

Occident®

Ingredient profile

This reliable flour is milled and thoroughly refined to remove virtually all of the bran, offering superior fermentation and mixing tolerance as well as absorption. With its high volume potential, it is a favorite for breads.

Item statement

Product milled from cleaned wheat of sound quality. This product shall be food grade and in compliance with the Federal Food, Drug and Cosmetic Act of 1938 as amended and applicable regulations thereunder. This is not a ready-to-eat product and must be thoroughly cooked before eating. Due to the nature of our products, we do not include microbial parameters as part of our product specification. Product is sifted prior to packing (bag) or loading (bulk).
